## Strategic Plan 2015-2018

### **STUDENT OUTCOMES GOAL**

Improve the capacity of school psychologists in New Hampshire to provide student-level services to develop academic, social and life skills for children, adolescents, and transitional age youth.

### **COLLABORATION GOAL**

Promote collaboration with administrators, teachers, members of the school community, school psychology training programs, and other mental health providers to develop systems of support that enhance student outcomes as related to the NASP Practice Model

### **PROFESSIONAL DEVELOPMENT GOAL**

Maintain and further develop a comprehensive and accessible continuum of continuing professional development in accordance with the NASP Practice Model. Provide improved and ongoing training for the full spectrum of experience levels of practitioners in NH.

### **ORGANIZATIONAL EXCELLENCE GOAL**

NHASP will continue to be a strong and vibrant organization that is based on the needs of association members and the field of school psychology in NH. NHASP leadership will improve the participation in and work of association committees and maintain active member communication
